

**Five reasons why you should buy  
a pre-owned CMM from the industry leader...**

## Pre-owned CMMs from Zeiss:

- 1 Must meet stringent criteria and pass our rigorous inspection process.
- 2 Are reconditioned to meet original Zeiss specifications and are backed by a one year warranty.
- 3 Come with the latest CNC controllers and industry leading CAD-based software.
- 4 Provide you with the same high quality and accuracy that you'd expect from a new Zeiss CMM.
- 5 Are available in a range of models and sizes — ready for immediate delivery.

This is why our certified CMMs are a solid investment.
