

Certified Comparator Products has the world's largest inventory of PreOwned optical comparators. We accept older model comparators as trade-ins, and we buy surplus comparators and refurbish them. We also offer a search and locate service to help clients find a specific model using our extensive network.

All CCP PreOwned comparators undergo an exhaustive service check, and come with our "CCP Satisfaction Guarantee" right to return for full credit policy.

- Trade-in program
- Detailed quotes on all PreOwned comparators
- Custom system locating services
- All PreOwned Services include our extensive 100 point service check, and come complete with a Certificate of Calibration
